Sir/ Ma'am:

It is my distinct privilege to write this letter of recommendation for **CEL JOHN L. MARASIGAN**, who is applying for a scholarship in your institution. As his mentor and coach, I have had the opportunity to closely observe his academic journey, personal growth, and exceptional work ethic. I can say without reservation that he possesses the intellect, character, and profound grit required to excel as a scholarship recipient.

Academically, he is an exemplary student who consistently performs at the top of his peer group. He maintains a stellar academic record, which is a direct reflection of a genuine love for learning and a sharp analytical mind. However, what truly separates Cel John from other high-achieving students is not just his natural intelligence, but his rigorous approach to education. He does not merely seek high grades; he actively pursues a deep, comprehensive mastery of the material, frequently engaging in advanced discussions and taking on challenging elective coursework.

Beyond academic metrics, his defining characteristic is [his/their] extraordinary grit. During his time at City of Balanga National High School- Senior High School, he faced significant challenges. Where others might have faltered, CJ demonstrated remarkable resilience. Instead of letting obstacles slow him down, he used them as fuel to work harder, maintaining a flawless academic record while remaining a steadfast, positive presence in our school community. This level of perseverance is rare in a student of his age.

In terms of character, CJ acts with the utmost integrity, humility, and kindness. He is a natural leader who leads by example, often dedicating time to tutor struggling classmates or spearheading community service initiatives. He treats peers and faculty alike with deep respect, earning the admiration of everyone at our school.

CJ is a young person of high purpose who is entirely deserving of your financial support. I am confident that he will maximize this investment to achieve great things and ultimately give back to the community. I give him my highest, most enthusiastic recommendation. Please feel free to contact me if you require any further information regarding this exceptional candidate.

Sincerely,

MR. CHRISTOPER A. CORDERO
