LETTER OF EXPLANATION REGARDING PROOF OF INCOME

To the PCAFPD Scholarship Committee,

I am writing to clarify the attached proof of income for my father, Gerard N. Dauz, who works as an engineer in Riyadh, Saudi Arabia.

As an Overseas Filipino Worker (OFW), he does not file a Philippine Income Tax Return (ITR). Attached is his original employment contract from 2018 indicating an initial salary of 12,000 SAR. Through subsequent salary adjustments, promotions, and allowances over the past eight years, his current base income is 25,000 SAR per month, as stated in my application form.

Due to time constraints in requesting an updated Certificate of Employment (COE) or recent payslips from his employer overseas before the September 30 deadline, I have attached his existing contract. We are currently requesting an updated COE/payslip from his company and will submit it immediately upon receipt if requested by the committee.

Thank you very much for your understanding and consideration.

Sincerely,

Aleisha Claire G. Dauz
