PCAFPD
Peace Corps Alumni Foundation for Philippine Development

Dear Admissions Committee,

It is my pleasure to recommend Tristan-Leonardo V. Carbonell for consideration for the Peace Corps Alumni Foundation for Philippine Development (PCAFPD) Scholarship. I have known Tristan through his consistent character, discipline, and positive attitude both in and out of the classroom. He has shown genuine respect for others, a strong work ethic, and a desire to contribute to his community and country.

One of the qualities that truly stands out in Tristan is his excellent cooperation with his cleaning duties in school. He consistently takes part in school clean-up activities, showing responsibility and a willingness to help maintain a clean and orderly environment. He does not hesitate to do his share of work, and he always works with his classmates and teachers with a positive attitude. His effort and cooperation show that he values the importance of a clean and healthy school for everyone.

Furthermore, Tristan is diligent in attending every flag ceremony and flag retreat. He shows respect and seriousness during these activities, demonstrating his compassion for the country and a strong sense of responsibility as a student and a future citizen. His presence and attitude reflect his understanding of the values of patriotism, discipline, and service to the nation.

I highly recommend Tristan for the PCAFPD Scholarship. I am confident that he will continue to demonstrate strong leadership, excellent cooperation, and meaningful service to his community. Please feel free to contact me if you have any questions regarding his character or service.

Sincerely,
