Recommendation

I am pleased to recommend Rheana Asia B. Mejia for the PCAPFD Scholarship. As her TUKLAS Coach and Grade Leader Coordinator at Babag National High School–Senior High School, I have had the opportunity to observe her character, commitment, and potential as a young leader.

Rheana is a responsible, motivated, and goal-oriented learner who demonstrates a sincere desire to improve herself and contribute positively to the people around her. She approaches her academic responsibilities with dedication and perseverance and shows the maturity and determination necessary to pursue higher education successfully.

What particularly stands out about Rheana is her potential for leadership and service. She possesses the ability to work well with others, accept responsibilities, and demonstrate initiative when faced with challenges. She is respectful, dependable, and receptive to guidance—qualities that I believe will enable her to become not only a successful university student but also a responsible and service-oriented professional.

I believe that Rheana has the potential to make meaningful contributions to her community in the future. Providing her with scholarship support would help lessen the financial challenges of pursuing higher education and, more importantly, give a deserving young person the opportunity to develop her abilities and fulfill her aspirations.

I strongly recommend Rheana Asia B. Mejia for the PCAPFD Scholarship. I am confident that she will value this opportunity, work diligently to achieve her goals, and use her education to make a positive difference in the lives of others.

Respectfully,

MAY A. LONGAKIT
TUKLAS Coach / Grade Leader Coordinator
