Recommendation

It is my honor to recommend Axza Shine A. Reyes, or simply Shine, for the Peace Corps Alumni Foundation Scholarship. I had the privilege of teaching her during her high school years, and I have seen firsthand her dedication not only to her studies but also to her community.

Shine is now taking up a Bachelor of Secondary Education, major in English, at Pamantasan ng Lungsod ng Pasig. Her dream is to guide future learners to reach their goals, and I believe she has both the heart and the discipline to do so.

As a student, Shine consistently excelled—earning honors from Grade 7 to Grade 11 and graduating with High Honors in Grade 12. Beyond academics, she has shown remarkable leadership and service. She served as a Community Teacher for Pasig Laban Kabataan 2025, led the *Sa Pagbasa May Pag-asa Literacy Program* at Buting Elementary as President, and has been a committed member of the Pasig Youth Young Watcher Department Choir since 2021. Most recently, she continues to grow her talents as part of the Pasig Himig Chorale.

What I admire most about Shine is her balance of excellence and humility. She is a young woman who listens, serves, and inspires. Her involvement in literacy programs and community initiatives shows her belief that education is not only about personal success but about lifting others as well.

I am confident that Shine will make the most of this scholarship opportunity. She has the character, the perseverance, and the vision to become a teacher who will shape lives and contribute to the development of our nation.

Thank you for considering her application. I wholeheartedly recommend Shine and trust that she will be a worthy scholar of your foundation.
