Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

Dear PCAFPD Scholarship Selection Committee,

I am pleased to recommend Jhe Ann P. Lamberte, one of my Grade 12 advisory students at Catarman National High School, for the PCAFPD Scholarship. As her adviser and DIASS subject teacher, I have had the opportunity to observe her participation, attitude toward learning, and personal growth throughout the school year.

Jhe Ann is a With Honors student who actively participates in class and takes her responsibilities seriously. What I particularly appreciate about her is her resourcefulness and sense of responsibility. Despite coming from a financially challenged family, she remains focused on her studies.

Her mother works as a street sweeper for the local government, while her father is a house husband who takes care of the household and supports the family with small livelihood activities such as driving. She understands their sacrifices and continues to attend school and pursue her education with determination.

I have also observed her demonstrated leadership and impact in our community. In our DIASS discussions, she willingly shares her ideas and shows empathy for community workers. She has shown initiative in helping her classmates by organizing reviewers and writing notes, which reflects her accountability and willingness to work for what she needs rather than simply giving up when circumstances become difficult. She values perseverance, accountability, and kindness, and she continues to learn from her experiences and move forward.

For these reasons, I wholeheartedly recommend Jhe Ann P. Lamberte for the PCAFPD Scholarship. She is a determined student who works toward her goals despite financial challenges, and I believe she would value and make responsible use of the opportunity given to her.
