Recommendation

It is my distinct pleasure to write this letter of recommendation for Julianne Margarette S. Las as she pursues the PCAFPD Scholarship Program.

Having known Julianne since her Grade 10 year, I have had the privilege of observing her consistent personal and academic growth. She is a remarkably diligent student who approaches her education with genuine eagerness and purpose. Julianne carries herself with notable poise and fluency, distinguishing herself particularly during oral presentations and class reports, where she presents complex ideas with clarity and composure. Beyond her academic capabilities, her kind disposition and exceptional reliability make her a trusted, respected figure among both her peers and teachers.

Julianne's intellectual strengths lie prominently in the humanities and business domains, where her analytical thinking and polished communication skills naturally shine. She demonstrates a mature understanding of coursework, paired with a drive to go beyond basic requirements in her studies. Her strong interpersonal presence, combined with a disciplined work ethic, reflects the exact qualities required to succeed in higher education and serve as a meaningful contributor to community development. I am confident that the PCAFPD Scholarship will empower Julianne to reach her full potential, and I give her my highest and unreserved recommendation.

Sincerely,
Francis Rupert A. Ranas
