Recommendation:

It is with great pleasure and confidence that I recommend **Gab Olitoquit**, a valued member of Kilos Lagunense, for consideration under the PCAFPD Scholarship Program.

As the Regional Chapter Coordinator of Kilos Lagunense, I have had the privilege of working with Gab, who has demonstrated a genuine commitment to personal growth, community involvement, and meaningful service. Gab is one of the members who I believe possesses the potential and determination to benefit from this scholarship opportunity, as he has balanced his time and commitment to community service and academics with determination and passion.

As a member of our organization, Gab is part of a community of young leaders who strive to create meaningful change through leadership, civic engagement, and service. As being part of the Finance Department of the organization, he has consistently delivered quality financial outputs, kept all projects in financial checks and proactively participated in relief efforts and community service activities such as the relief efforts in Barangay Malaban, Binan, Think Before You Prompt, Relief Efforts for Binan Drivers and Poli-Series. I believe that Gab's involvement in Kilos Lagunense reflects a willingness to grow, contribute, and take part in initiatives that seek to create a positive impact on the community.

I firmly believe that educational scholarships can open more opportunities for students to reach their full potential. Through the PCAFPD Scholarship Program, Gab would have an opportunity to further pursue academic aspirations, strengthen personal and professional capabilities, and eventually use these opportunities to contribute meaningfully to society.

In this regard, I wholeheartedly recommend Mr. Gab Olitoquit for the PCAFPD scholarship. I am confident that this opportunity would be a valuable investment in Gab's future, and I respectfully encourage the committee to give the application favorable consideration.

Thank you for your time and consideration. Should you require further information regarding this recommendation, please do not hesitate to contact me.
