Recommendation

I am pleased to recommend Rafael Cabuang for the PCAFPD Scholarship. I have had the opportunity to know him as both Subject Teacher and High School Coordinator and I have witnessed his dedication, leadership, and commitment to serving others.

Rafael or Rafa (as we call him) has consistently demonstrated strong leadership through Supreme Secondary Learner Government (SSLG) and a Class President of his section. He takes initiative, works well with others, and willingly accepts responsibilities. Through his involvement in The Prodonians (Journalism Club) he has made a positive impact by where he contributes his writing skills, works collaboratively with others, and helps share meaningful stories and information within the school community.

In addition to his community involvement, Rafa has shown dedication to his academic goals since Junior High school he shows consistency in being an honor student despite his financial challenges. His perseverance, compassion, and willingness to help others make him a deserving candidate for this scholarship.

I strongly recommend Rafael Cabuang for the PCAFPD Scholarship and am confident that he will continue to make a positive difference in the community.
