Recommendation Letter

To Whom it may concern;

I am pleased to recommend Joan Jett L. Botenes, a resident of Barangay Malaubang, Ozamiz City, Misamis Occidental, for your scholarship program. I have personally known Joan, as a responsible, respectful and hardworking young individual who is determined to pursue higher education. Despite the financial challenges faced by the family, she continues to show dedication to her services and studies and yet still remains committed to achieving her educational goals.

The applicant comes from a family with limited financial resources, and her mother is a single parent who carries the primary responsibility of supporting the family and financing the applicant's education. Because of these circumstances would greatly help reduce the burden of the family and enable her to continue pursuing a college education.

As a Barangay captain of Malaubang I sincerely recommend Joan for consideration in your scholarship program. I believe that this assistance will be a meaningful support towards her education and future aspirators. Thank you for considering this recommendation.

Respectfully Yours,

HON. CHRISTOPHER S. MAGHANOY
