Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

I am pleased to recommend Lie Ferrer Gutierrez for consideration for this scholarship. As the Barangay Captain of Mohon,Aloran, Misamis Occidental, I have had the opportunity to know Lie as a young member of our community.

Lie is a responsible, respectful, and hardworking student who shows willingness to participate in activities that benefit others. He also demonstrates leadership through his role as a Grade 12 class president, where he helps communicate with his classmates, organize activities, and encourage cooperation among them.

As a member of the community, Lie has shown a willingness to help and work with others. His experiences have taught him the importance of cooperation, responsibility, and service. I believe these qualities will help him continue to grow as a student and future community leader.

I believe that Lie deserves consideration for this scholarship because he is committed to his education and has goals for his future. With the support of this opportunity, he can continue developing his knowledge and skills and eventually use them to contribute to his family, community, and country.

I am pleased to recommend Lie Ferrer Gutierrez for this scholarship and wish him success in his educational journey and future endeavors.
