Sir/ Ma'am,

Good day!

I am writing to enthusiastically recommend **Nikquiel Joi Yam** for the position of Public Information Officer (PIO) within the STEM Society. As the **STEM-EA COORDINATOR/Former Society Adviser** at **National University (NU) Dasmariñas**, I have had the distinct pleasure of supervising and mentoring her. Having observed her character, work ethic, and organizational contributions firsthand, I can confidently attest to her extraordinary leadership potential and distinct readiness to excel in this crucial executive role.

As a **Public Information Officer**, an individual must serve as the vital bridge between complex scientific concepts and public engagement. **Nikquiel** naturally possesses the rare combination of technical acumen and communication prowess required to do exactly that.

- **Strategic Communication:** In our committee meetings, Nikquiel consistently demonstrates a sophisticated understanding of media layout, information dissemination, and student audience engagement.
- **Collaborative Command:** She possess a natural leadership presence that inspires peers. Nikquiel leads by example, managing responsibilities with maturity, emotional intelligence, and absolute integrity.
- **Proactive Problem Solving:** When organizational bottlenecks arise—whether in event planning or digital campaign rollouts—Nikquiel is always the first to propose structured, innovative, and practical solutions.

Key Accomplishments & STEM Advocacy Impact

Throughout her involvement with our student organization and campus committees, Nikquiel has left a measurable impact on our community:

- **Amplifying STEM Engagement:** Nikquiel played a key role in designing and executing digital awareness campaigns that simplified scientific and technological topics, making our initiatives highly accessible and driving up student participation by an exceptional margin.
- **Event Coordination:** They actively co-managed the information drive and logistics for our major organization events, ensuring that schedules, public relations materials, and member coordination were executed flawlessly.
- **Resourceful Content Creation:** Working alongside the student council and committee, Nikquiel effectively utilized modern communication tools to maintain a cohesive, professional, and vibrant public image for our student body.

A True Servant Leader

Beyond their technical and organizational skills, what truly sets **Nikquiel** apart is their deep commitment to the core values of National University—most notably, *Excellence* and *National Responsibility*. They treat leadership not as a title, but as a platform to uplift others. She seamlessly balance demanding academic loads with her extracurricular dedication, proving her resilience and unwavering drive to serve the community.

As her Adviser, I have absolute confidence that **Nikquiel Joi Yam** has the vision, skills, and dedication to serve as an exemplary **STEM Society PIO**. She has my highest and most unreserved recommendation. Please feel free to contact me should you require any additional information.
