September 10, 2026

Applicant Information:

Name : John Caleb B. Robles

Current School: University of Santo Tomas

To Whom It May Concern:

John Caleb "Caleb" B. Robles is an extraordinary young student. As his former Robotics and Research Capstone Project, and Immersion teacher, I have seen many highlights of his good attitude and has been impressed by his diligence and study/ work ethics since his junior and senior high school days. I understand that Caleb is applying for a scholarship under the Peace Corps Alumni Foundation for Philippine Development (PCAFPD), which I would like to highly recommend him for the said scholarship.

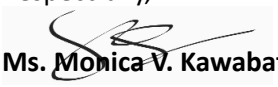
Caleb has shown proficiency both in his extra- curricular and academic skills. He is active with his leadership activities which include, him being an effective and **efficient classroom officer (Vice President)** during his Grade 12. **Best in Robotics Award and Robotics Prototype Award during his Grade 10** completion. He is a **consistent honor student** since junior high till senior high school with **yearly citations of with high honors (students with a GWA of 95- 97)**. Caleb is a student that shows discipline and excellence.

As his former Research and Robotics coach, Caleb has also shown his active participation and citation in international contests**:** during the **2025 International Exhibition for Young Inventors held in Osaka, Japan**, were he showcased the Pinoy Tanji Tile under the category of Social Care, he and his team mate won the **Philippines' a Gold medal**. Also during the **2024 International Exhibition for Young Inventor held in Taipei, Taiwan**, were he and his team mates won the **Excellence Efforts Invention award from Nornickel Russia and the Presidential Technology Innovation award from the Technological University of the Philippines** for their Robotics prototype for Sustainable Environment Development. Recently, he and his group were chosen as a **candidate for the Best in STEM Research award last March 2026**. Majority of these research initiatives adhere to the aspirations of the United Nations' Sustainable Development Goals (SDG). On a high note he was awarded during his SHS graduation as a recipient for participating in these international contests.

If the said scholarship is seeking a candidate with a record of achievement and outstanding good moral character, **Caleb is an excellent choice**. He has consistently demonstrated how to **balance his academic and extra- curricular activities**.

To conclude, I would like to **restate my strong recommendation for John Caleb "Caleb" B. Robles**. If you have further questions regarding Caleb's ability or this recommendation, please do not hesitate to contact me using the information.

Respectfully,



Ms. Monica V. Kawabata, LPT, CSE
Senior High School Research and Robotics and ICT Teacher
