To Whom It May Concern:

I am pleased to write this letter of recommendation for Jannia Deeniaelle C. Perolino, who is applying for a scholarship. I had the privilege of serving as her adviser/homeroom teacher during the School Year 2025–2026, which allowed me to know her not only as a student but also as a person. Jannia was an honor student who consistently demonstrated dedication and responsibility toward her studies. She showed a positive attitude toward learning and was willing to participate and take on responsibilities whenever needed. Her academic achievements reflect her perseverance, discipline, and commitment to doing her best.

Beyond her academic performance, Jannia stood out because of her good attitude, respectfulness, and camaraderie with her classmates. She was able to build positive relationships with her peers and contribute to a harmonious classroom environment. She treated others with kindness and respect and demonstrated the qualities of a responsible and dependable student. As her former adviser, I witnessed her growth and development throughout the school year. I believe that Jannia possesses the determination, character, and potential necessary to succeed in her future endeavours. I am confident that, if given the opportunity to receive this scholarship, she will make good use of it and continue striving for excellence.

I therefore highly recommend Jannia Deeniaelle C. Perolino for the scholarship. I sincerely hope that her application will be given favourable consideration. This scholarship would be a meaningful opportunity for her to further her education and achieve her aspirations.

Yours Truly,

Ms. Jhanella Y. Camato
