Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

To Whom It May Concern:

I would like to recommend Eulla Jean P. Ubas for this scholarship. Having been her teacher, I have noticed her dedication, her readiness to learn, and her responsible attitude during her time at Senior High School as a Bread and Pastry Production student.

Eulla Jean has acquired useful skills in the area of baking, in preparing food, in keeping clean, in ensuring safety, in working as part of a team, and in managing her time. She showed both her creativity and her practical abilities by taking part in the Cake and Icing Decoration Contest which took place in Pagadian City in May 2025. The fact that she has obtained her National Certificate II (NC II) in Bread and Pastry Production shows how committed she has been to improving her technical skills.

Eulla Jean has always shown perseverance and a positive approach to her studies. She is ready to take on challenges, learns from her experiences and keeps on improving her skills. The confidence she has developed in her ability to communicate and work with others, along with her sense of responsibility and respect for people, shows that she has some of the qualities which are valuable in the hospitality industry.

In addition to her technical abilities, Eulla Jean has demonstrated improvements in her communication, confidence, professionalism, and sense of responsibility, especially as a result of her practical activities and experience working in her job. I think that these qualities will prove beneficial to her as she moves on to study Hospitality Management at college.

I really recommend that Eulla Jean should be given the scholarship and think that, if she continues with her education and receives support, she can achieve her aims, build a worthwhile career, and make a positive contribution to both her family and her community.

Sincerely,
