Name: Nheljean Lyka A. Sipe Current School: Guimaras State University

Recommendation

To the Selection Committee:

I am writing to express my strongest support for Nheljean Lyka A. Sipe's application for the PCAFPD Scholarship. As the Barangay Captain of Barangay Inagdangan Norte, Zarraga, Iloilo, I have personally witnessed her dedicated leadership, active involvement in local initiatives, and unwavering commitment to improving our community.

Nheljean has consistently taken the lead in organizing and executing grassroots projects that directly address local needs. As a volunteer, she has mobilized peers and community members to collaborate effectively. She is always willing to help in times of emergencies and calamities our barangay experienced.

What makes her contributions even more commendable is her ability to balance rigorous academic demands with active community service. Despite facing clear financial challenges, she has maintained outstanding academic performance at school while dedicating her free time to serving others. She views education not just as a tool for personal growth, but as a resource to uplift their family and community.

Nheljean exemplifies the civic-mindedness, integrity, and passion for Philippine community development that the PCAFPD Scholarship honors. I am confident that with your support, she will maximize this opportunity to become an even greater asset to our society.
