**SUBJECT: Recommendation Letter for Mia Shyra Manonag**

To Whom It May Concern:

I am pleased to recommend **Mia Shyra S. Manonag**, the current Class President of Grade 12 ABM Section B at Liloan National High School, for consideration for a scholarship grant. As her class adviser, I have had the privilege of working closely with Mia and witnessing her development into a responsible student leader and a committed member of our school community. Throughout School Year 2026–2027, she has demonstrated leadership and dedication in fulfilling her duties as Class President, particularly in organizing and facilitating various school activities involving the entire class.

Serving as Class President has enabled Mia to cultivate essential skills in communication, teamwork, problem-solving, time management, leadership, and community service. Through this role, she has gained experience in collaborating with diverse individuals, fulfilling her responsibilities, and making meaningful contributions to group activities and projects. These strengths, along with her dedication and sense of responsibility, will serve her well as she pursues her college education and faces new academic and personal challenges.

I wholeheartedly recommend Mia for college admission and/or a scholarship grant. I am confident that she will continue to demonstrate the same dedication, perseverance, and commitment to service in her college journey, making valuable contributions to her future academic community.

I sincerely hope that Mia will be given the opportunity to pursue her college education and be awarded a scholarship that will help her further develop her full potential. Should you require any additional information in support of her application, please feel free to contact me at my personal phone number, +639062366925.
