TEACHER'S RECOMMENDATION

To the Scholarship Selection Committee:

It is with great pleasure that I recommend **VIVIEN ELOISE CAPILLANES CURRAN** for consideration for your scholarship program. As a teacher in this school, I have had the opportunity to observe her growth not only as a student but also as a responsible and active member of the school and community.

Throughout my experience with **VIVIEN C. CURRAN**, I have seen her willingness to participate in community service and school activities. She willingly gives time and effort to activities such as community clean-up drives, school programs, outreach activities, and other initiatives that benefit others. What makes her participation meaningful is the genuine concern and sense of responsibility she demonstrates when helping others. She understands that service is not about receiving recognition but about making a positive contribution to the community.

I also believe that **VIVIEN ELOISE** has strong leadership potential. She demonstrates qualities such as responsibility, cooperation, respect, perseverance, and willingness to take initiative. She works well with classmates and is willing to listen to others while contributing ideas and effort toward achieving a common goal. I have observed that she can be trusted with responsibilities and can encourage others through a positive attitude and good example.

Beyond academic and leadership, **VIVIEN ELOISE** possesses qualities that make her deserving of this scholarship. She is determined to pursue her educational goals and understands the importance of education in building a better future. I am confident that the support provided by this scholarship will help her continue developing her abilities and eventually use her knowledge and skills to serve others and contribute to the community.
