To the Scholarship Selection Committee:

I am pleased to recommend Ruth Arsen Galido, a student pursuing a Bachelor of Science in Physics, for your scholarship program.

As Barangay Captain Ervin Baldivino, I have always believed that education is an important foundation for the development of our young people and our community. Students who demonstrate dedication to their education deserve opportunities that can help them reach their academic goals.

Ruth's pursuit of a degree in Physics demonstrates her willingness to challenge herself in a demanding field that requires analytical thinking, discipline, and perseverance. Her educational aspirations reflect a desire to develop knowledge and skills that can eventually contribute to her community and society.

I believe that this scholarship would provide meaningful support to Ruth as she continues her college education. It would allow her to focus more fully on her studies and work toward completing her degree.

For these reasons, I respectfully recommend Ruth Arsen Galido for your scholarship program. I hope that you will give her application your favorable consideration and provide her with the opportunity to continue pursuing her educational aspirations.

Respectfully yours,

Hon. Ervin Baldivino
