Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

Having taught the applicant, I have personally observed their consistent effort and positive attitude toward their studies. The applicant is diligent, maintains good study habits, and takes academic responsibilities seriously. One quality I particularly appreciate is their ability to work well with others. They are cooperative during group activities, willing to listen to their classmates, and able to follow directions while contributing to the success of the group. When given the opportunity to lead, the applicant willingly accepts the responsibility and works cooperatively with others. Their dependability, discipline, and willingness to contribute are qualities that I believe will serve them well in both their academic journey and future community involvement.
