Recommendation

Greetings!

I am writing to recommend Princess for the PCAFPD Scholarship Program. As a current PCAFPD scholar, I understand how meaningful this scholarship can be for a student who is determined to continue their education despite financial challenges.

I have come to know Princess Sohier A. Barabag as a hardworking, responsible, and determined student. She takes her education seriously and consistently does her best to achieve her goals. Despite facing financial difficulties in her family, she continues to work hard and find ways to help support her education.

She has also demonstrated dedication through her academic achievements and involvement in the community. She graduated with honors, achieving an average of 90%. She actively participated in various youth activities and was also a member of the Boy Scouts, where she was given the opportunity to lead her group. In addition, she was an active member of the Science, Mathematics, and YES-O organizations.

As a fellow PCAFPD scholar, I know that this scholarship is more than financial assistance. It is an opportunity that can help students pursue their dreams and build a better future. I believe Princess Sohier A. Barabag would value this opportunity and make the most of it.

I sincerely recommend her for the PCAFPD Scholarship. I hope you will consider her application and give her the opportunity to continue her college education and achieve her goals.

Respectfully,
Jahra B. Jikiri
Current PCAFPD Scholar
