Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

This serves as a recommendation for Charlene Hailar to be a student at your academic institution. As a member of the school faculty of Pasay City National High, where the applicant is an alumni, highly recommends my former student.

The applicant was my student in one of the major subjects in The Arts and Design Track. In completing the requirements for the subject Leadership and Management in Different Art Fields, the applicant showed high enthusiasm and leadership by being able to serve different roles in theater production.

The applicant served as a production manager and a technical director for several school plays. She designed marketing materials and help create and execute financial plans for different events spearheaded by the Arts and Design Track.

I highly recommend the applicant for she had shown great leadership skills and willingness to learn different management skills together with her natural talent for design.
