Peace Corps Alumni Foundation For Philippines Development

Rpcvphilippines.org

Dear Sir/Madam,

It is my pleasure to ardently recommend Keene Kazy Erryson C. Reodique for the Peace Corps Alumni Foundation For Philippines Development Scholarship Grant for admission to the BS Architecture program at the Polytechnic University Of the Philippines, Anonas Street, Sta. Mesa Campus, Philippines 1016

My name is Sarah Kimberly F. Lamadrid, Special Science Teacher I (SST I) and adviser, and I had the pleasure of teaching with Keene Reodique for two semesters in K12. He has good communication skills in both interpersonal and public speaking, writing, and listening. His collaboration and leadership skills were truly impressive, and his motivation and innovation toward others are a great advantage.

His exemplary role as a student gives him diversity and consistency in learning and studying. Moreover, Keene has a good moral character that brings his compassion to others in the sense of honesty and recognition in his personal behavior.

I am confident without reservation that Keene would be an excellent fit for the Peace Corps Alumni Foundation for Philippine Development Scholarship Program and Polytechnic University of the Philippines which will be taking up BS Architecture. As a tirelessly creative and ardent individual, he will be a productive addition to our commitments.

Sincerely,

Sarah Kimberly F. Lamadrid

Special Science Teacher I (SST I) and Adviser
