Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

I am pleased to serve as a reference for Justin Lanit, who was our SSLG vice president during his grade 12 journey. As his supervisor, I had the pleasure of observing and working with him closely, and I can confidently attest to his exceptional leadership skills, impressive accomplishments, and positive impact on our community.

Justin demonstrated outstanding leadership skills, particularly during his tenure as our SSLG vice president. He was able to effectively communicate with his peers, build consensus, and make informed decisions that benefited the entire community. He was also an active listener, always willing to hear others' opinions and perspectives before making a decision. His calm and composed demeanor under pressure was impressive, and he remained focused on the task at hand even in challenging situations.

In terms of his personal background, Justin comes from a large family with eight siblings. Despite the challenges this may have presented, he has remained focused on pursuing his dreams and has shown remarkable resilience in the face of adversity.

I believe that Justin would be an excellent candidate for any opportunity he may pursue. He is an exceptional young individual with great leadership potential, a strong work ethic, and a commitment to making a positive impact in his community. I strongly recommend him without reservation.
