Recommendation:

Good day, first and foremost I would like to commend your respective office for coming up with this Scholarship program that would probably benefit lots of students who have the passion to continue their studies despite their socio-economic adversity that they might be facing. Hence, I would gladly recommend Mr. Jason Amores; a second year student here at Colegio de Sta Ana de Victorias, to be a beneficiary of your scholarship program. I believe that he posses the necessary skills and capabilities at par with your standards. Moreover, Jason belongs in an indigent family; but that did not hinder him to excel in certain areas of his academic life, especially in his non-academic life. Jason belongs in at least 10% number of excelling students in his class and maintain an average of 85%-90% or more on my subject, Jason actively participates in community based outreach programs: feeding program, tree/mangrove planting, clean up drive activity etc. , under the of Reserve Officer Training Corps. Jason also demonstrates, his outstanding leadership skills, in specific classroom activities and classroom management related activities (e.g. formation, inspections for Criminology students, reporting, dissemination and imposing of protocols etc.) while maintaining a pleasing character despite tough situations and working under pressure.

Furthermore, Jason Amores has quite a good reputation in the school community by maintaining a peaceful and harmonious relationship with others aligned the protocols, I am confident that I am recommending a person with a great sense of integrity, industry and a great sense of responsibility; not just with his family, but his academic life and the community also. With this, I believe that if he will be a beneficiary of this scholarship, he would be much grateful and will be encourage and motivated to do much well. I am hoping that you would take this into consideration. God bless!
