The Manager  
Peace Corps Alumni Foundation for Philippine Development  
(PCAFPD)

Dear Sir/ Maam:

It gives me great pleasure to provide a letter of recommendation for Ellain Joy B. Eliorda, a Maximino Noel Memorial National High School senior high graduate. I've known Ellain for over a year; during her senior high school years, I served as both his adviser in grades 12 and his teacher for a variety of topics.

She spent her entire time in my class performing exceptionally well academically. She is highly committed to achieving her objectives and has exceptional leadership qualities.

She has been an excellent confidante and leader to others. Her ability to complete activities that are differentiated is really helpful to the class and motivates others to do well. Others have been motivated to maintain high standards of behavior by her positive influence.

Her priceless efforts to the improvement of the school have brought her great recognition.

Ellain Joy B. Eliorda has my highest recommendation for any chance that comes her way. I have no doubt that she will succeed in any of her future undertakings.

Sincerely,

  
Jerry B. Hornada  
Teacher- Adviser
