To Whom It May Concern:

I have the honor to recommend Althea Shayne G. Lauron for admission to educational scholarship which is offered by your foundation. As member of Polomolok East Seventh-Day Adventist, she showed active support to the various programs, projects, and activities as Adventist youth leader and member of singing group.

Further, Althea Shayne Lauron has shown good performance with courage and determination in serving the church and for the realization of its Mission and Vision.

As Church Elder, it is my ardent hope that she will be given the opportunity to avail your scholarship grant for the completion of her college education, particularly Bachelor of Science in Biology.

Sincerely,

LEANDRO C. EXMUNDO

Head Church Elder
