### **Dear Members of the Scholarship Committee,**

Greetings of peace and solidarity!

I highly recommend MS. MARJA LYN BANSAG for the PCAFPD Scholarship. I have had the pleasure of knowing Ms. Bansag for three (3) years as one of our student assistants of the Assumption College of Davao Library, at J.P. Cabaguio Avenue, Davao City, and I can confidently say that she is one of the most dedicated, hardworking, and promising working students I have encountered.

Ms. Bansag has demonstrated outstanding academic performance throughout her studies, maintaining a high GPA while taking on a rigorous course load. She has a genuine passion for community development, social work, education, and this is reflected in her consistent participation in classroom discussions, commitment to their coursework, and willingness to go beyond the curriculum to gain a deeper understanding of the subject matter.

Beyond academics, Ms. Bansag is also highly involved in extracurricular activities and community service. She has volunteered in several projects, such as the community extension service, where she demonstrated leadership, empathy, and a strong commitment to helping others. These experiences have not only shaped her understanding of social issues but have also fueled the desire to contribute positively to the institution, particularly in the department where she belongs.

Ms. Bansag's most admirable qualities is her determination to pursue college education despite financial constraints. I believe that receiving the PCAFPD Scholarship would significantly help her achieve her aspirations and provide her with the necessary support to continue excelling academically and personally.

I am confident that **Ms. Marja Lyn Bansag** has the potential to make a significant impact in her future endeavors and is a worthy candidate for this scholarship. I hope you will consider her application favorably.

Thank you for your time and consideration.

Sincerely,
