

PCAFD Board of Directors:

Greetings of Peace!

I am writing to express my support to Mr. Jomar P. Camba, a Licensed Professional Teacher and an exemplary volunteer who is currently taking a Masters of Arts in Education with a Major in Mathematics, for his application to the Peace Corps Alumni Foundation for the Philippine Development (PCAFD). As the President of the Sangguniang Kabataan Federation, I have had the privilege of witnessing his unwavering commitment and dedication to his community through various organizations and leadership roles.

He served as a Vice President of Kabataan Kontra Droga at Terorismo (KKDAT), where he initiated and supported programs that aim to open the minds of youngsters about drugs and battle this enemy. He also accepted the opportunity to be the voice of the Alaminos Channel, where he volunteered as a reporter and writer. In addition, he served as a Parish Youth Leader, where he organized various activities that fostered the spiritual growth of the youth in his community.

Moreover, Jomar's involvement with the Sangguniang Kabataan demonstrated his leadership and commitment. He continued to share his knowledge and uplift his fellow youths by being a CSE Lecturer volunteer. He even showcased his commitment to public service and environmental advocacy by being a Red Cross and Scubasurero volunteer.

His participation in these several groups and organizations has demonstrated his exceptional leadership, empathy, and commitment. His ability to juggle several responsibilities while still performing well in his career as a teacher is evidence of his excellent work ethic, time management skills, and dedication to both professional and personal development.

I am convinced that you should select him as one of the beneficiaries of your scholarship because of his enthusiasm for community development, education, and service. Undoubtedly, this opportunity will enable him to keep making a good difference in the lives of a great number of people.

Thank you for considering his application.

Sincerely,

Hon. Loverly Bernabe
President, Sangguniang Kabataan Federation
Alaminos City, Pangasinan
