Recommendation

I recommend Irish Lugao to be part of this scholarship, as I believe she possessed qualities that can make a good leader. I have known her since she was a kid. She always has a desire to help other people, especially in my community, with her own little ways. She is also known for being a hard-working person, as she helped her mother, a fish vendor, do the job in the market. Above all, she always wears her smile whenever she goes, which conveys how optimistic she is in life despite the hardships she has been through.

As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.
