Recommendation

I highly recommend **Ms. Blessed Grace Dela Cruz Oftana** to avail the PCAFPD scholarship grant knowing that she belongs to a low income family. Despite financial challenges, she maintained her good academic performance while at the same time devoting some of her time to community service like joining the TARABASA program launched by the DSWD, teaching elementary pupils to read during the last summer. While thriving in her academics and community services, She also demonstrate good leadership in our church by leading the young people in our weekly Sabbath services specially during the Adventist Youth Ministries Sabbath afternoon programs.

Given this 29th day of October, 2024 at MSU- General Santos City, South Cotabato, Philippines.
