To Whom It May Concern:

My name is Julie-Ann Nartates, the Grade 12 Academic Coordinator, and I highly recommend Gelou Margarete Abreque for acceptance into the scholarship program your organization has to offer. I have had the pleasure of mentoring Ms. Abreque at IETI College of Science and Technology, Inc. She is my student in Philosophy and Filipino sa Piling Larangan, and she has been an excellent student, she has the wit and critical thinking skills that is remarkable.

I've seen firsthand how Gelou strives for excellence, she is inclined when it comes to public speaking and organizational skills. She has impressed me with her dedication. She puts a lot of effort into developing herself daily, picking up new abilities, and gaining worthwhile experience.

I believe that your organization will not regret accepting Gelou's ambitious nature and love for learning. These attributes makes her the right candidate for the scholarship program. If you would like further information, don't hesitate to get in touch with me. I appreciate your thoughtfulness.

Best regards,

Ms. Julie-Ann P. Nartates
