Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

Rod is a transformed man. Many people are blessed by his presence and existence. As his Bible study leader, I have witnessed God's mighty work in his life. He is a man with integrity and is a servant of God. He uses his spare time in church Community Service where he exercises his leadership skills. He is now also leading and helping other people be transformed by sharing the Gospel and by introducing who Christ is to them. He also uses his talent as he is part of Music team of our church.

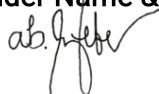

Aside from being a servant of God, he is also an academic achiever. He is a consistent Dean's Lister. Even despite his commitment to church and community service, he still manages to excel in his academics. I can say that this man has a bright future ahead of him.

His parents do not have a stable job to fully support his financial needs for his studies. So I hope and pray that he will be given the opportunity to be granted a scholarship from your institution. This will be a great help for him and his family.

May you continue to be a blessing to many aspirants. God bless and more power!
