Recommendation

I wholeheartedly recommend Angelo B. Donggo-an for the PCAFPD Scholarship grant. As his Grade 12 General Biology 1 teacher, I've witnessed his exceptional dedication to academic excellence, marked by a thirst for knowledge, strong critical thinking skills, and passion for scientific inquiry. Angelo's outstanding academic record, innovative thinking, and dedication to excellence make him an exemplary student, demonstrating consistent high grades, active participation, innovative approaches, and effective collaboration. I firmly believe he has immense potential to excel in STEM fields, and this scholarship will empower him to develop his skills, pursue his aspirations, and realize his full potential.
