Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

I formally recommend Edrix b. Reyes as a deserving candidate for the PCAFPD scholarship program. During the years I've known Edrix, I've been continuously impressed by his commitment to learning and desire to improve not just his own life but even his family and his community. Thus, I can think of no one else who could better represent as a recipient of this scholarship. As his mentor and pastor, I've had the privilege of watching him grow into an individual who values education and strives to uplift others so that everyone can become the best version of themselves. The values behind this scholarship program are the ones I recognize in Edrix, and I am sure he will prove himself to be a worthy scholarship recipient. Apart from having good academics record, Edrix thrived in sports of basketball in district level, displaying resilience, hardwork and leadership capability in that sport. In conclusion, Edrix is a remarkable student, consistently excelling inside and outside the classroom. I am confident he will exhibit the same level of intelligence and determination in his college journey.
