To Whom It May Concern:

I am writing this letter to recommend **JAY-ADZNIER T. HALID** who is applying for the scholarship program. I have the pleasure of teaching him for this current school year 2024-2025 on my advisory class of grade 12 STEM (**Science, Technology, Engineering and Mathematics**) strand. During the time that I know him, he has demonstrated great skills in communication, mathematical and scientific knowledge, specifically the 21st century learning skills.

I think this scholarship program will help to pursue his ambitions and provide a great benefits on his academic career during his college journey. Mr. Halid is truly a diligent, clever and behave student. He also possesses many other great qualities that make him a better person and became more well-motivated and has shown enthusiasm in senior high school academic life.

I am confidently recommend him for the application of your scholarship program and I'm sure that he will uphold the standards of the program and become a valuable member of your scholarship entity.

Thank you and more power!
