### Recommendation

I am honored to recommend JHON EVER B. BALGOS for the PCAFPD Scholarship grant. As his Grade 12 Biology instructor, I have observed his outstanding commitment, remarkable academic achievements, and genuine enthusiasm for learning, which truly set him apart from his classmates. Jhon Ever exhibits a unique blend of creativity, technical proficiency, and exceptional problem-solving skills, with his projects demonstrating meticulous attention to detail and a strong commitment to excellence. I am confident that he has the potential to thrive in his chosen field and make significant contributions to the scientific community. The PCAFPD Scholarship grant would provide him with the opportunity to further enhance his skills and pursue his academic aspirations. I wholeheartedly endorse his application and believe he will fully utilize this opportunity.
