PEACE CORPS ALUMNI FOUNDATION FOR PHILIPPINE DEVELOPMENT

Dear Scholarship Committee,

I am writing to wholeheartedly recommending Juliane-Mae M. Jumao-as as a Scholar at your esteemed organization. I have had the pleasure of working with Juliane for a period of year as their Supreme Secondary Learner Government Adviser, and I am consistently impressed by their academic drive, character, and commitment to their strand which is Science, Technology, Engineering, and Mathematics (STEM).

Juliane has distinguished themselves academically in several ways. She consistently excels in coursework and engage deeply in class discussions, often bringing unique perspectives that benefit their peers. In my role as her Adviser, Juliane maintained a responsible and hard-working character showcasing their aptitude for complex problem-solving and critical thinking.

Beyond academics, Juliane is equally impressive. She volunteered with another organization which is the YES-O and organized some projects such as WERPALINIS HUWEBES, demonstrating an inspiring dedication to service and leadership. These experiences not only highlight her ability to excel but also reinforce her compassion, resilience, and drive to make a positive impact on the community.

I have no doubt that Juliane would be an outstanding recipient of this scholarship. Her academic achievements, combined with her personal qualities, make her exceptionally deserving of your support. I am confident that Juliane will contribute significantly to her future field or society.

Please feel free to reach out should you need further insights regarding Juliane's application for scholarship. I am more than happy to discuss her qualifications and experiences.

Thank you for considering Juliane-Mae M. Jumao-as for this honor.

Very truly yours,

PATRICK ANTHONY T. TUALLA
