Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

Victoria is one of the officers of the school's Student Council, in which I am the moderator. As her teacher and moderator, I can say that Vic is someone you can really rely on. As you give her a task to do, you will see with the result that she definitely did her best and put so much effort in doing that task. But being busy with her extra-curricular roles did not stop her from doing her best inside the classroom. She maintained to be an honor student despite of all the activities she's doing outside classroom. You can see in her the eagerness to finish her study while helping the Student Council do things for the betterment of our school community.
