### Recommendation

**PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.**

I am writing this recommendation to endorse **April Rose M. Perez**, one of my students, as a candidate beneficiary for the **PCAFPD Scholarship**. As her adviser and subject teacher for **more than five (5) years**, I have seen April grow and progress as a student and I strongly believe that she is deserving to be part of your initiative.

April is an **excellent student**, having a strong sense to face academic challenges and develop scientific skills. This is evident in her **consistent academic performance**, being a **high honors student** from Grade 7 until the present. She completed **JHS as second in her batch**, which speaks for her academic skill. I am also impressed with how April's character developed over the years. I am inspired by her **competitiveness**, represented by her participation on the following:

- RSPC English Editorial Writing Division Level 3rd Placer (2018 -2019)
- Supreme Pupil Government President (2018 - 2019)
- Consistent Class President (2013 - 2024)
- Class SAO (2021 - 2022)
- Tambuli English Copyreader and Headline Writer (2022 - Present)
- UPHSC Student Council Batch Representative (2022 - Present)
- Linggo ng Kabataan Spelling Bee Champion (2024)
- UPHSC RCY Secretary (2024-2025)
- Birhen sa Barangay Youth Organization Treasurer (2022- Present)

Your organization seeks to support students by providing them equal opportunities for accessible quality education. I believe that she is a deserving candidate for your program, which would greatly help in continuing her studies to further enhance her skills and achieve her ambitions. As with most of our students, April is from a **low-income family**. She has a scholarship, but only until she completes her high school education. As she pursues college education, sustaining her needs will be a financial challenge to her family.

I am confident that you will be impressed with April, and I highly encourage you to consider her in your scholarship program. Please feel free to contact me if you would like additional information in support of her.

Thank you very much.
