PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

I am pleased to recommend Neke Arce for this scholarship, as she exemplifies resilience and dedication. Despite facing financial hardships, her unwavering determination to graduate and honor her father's sacrifices is truly inspiring. Her consistent academic excellence as an education student, coupled with her active participation in community activities, highlights her leadership skills and commitment to service. She has shown remarkable strength in supporting her family and engaging with our barangay, even in difficult circumstances. Her journey not only reflects her potential as a future educator but also her ability to make a positive impact in her community.
