Recommendation

I am honored to recommend Ms. Yusay Festin for a PCAFPD scholarship. As her former teacher in the subject 21st Century Literature from the Philippines and the World at Emilio Aguinaldo College-Cavite, I had the privilege of witnessing her brightness as a student and dedication to her education.

Over a short period, Ms. Festin demonstrated a huge potential to be a great leader through her social awareness and being a role model to her classmates. In my subject, which is all about literature, students are encouraged to share the perspective that reflects their roles as a part of society. Remembering all the hardships and insights that Ms. Festin has shared during our discussions, I am assured that she will be a future asset to the next institution she will be in. For instance, I have observed that she greatly led her classmates during the live radio drama they had in my subject. Aside from this, Ms. Festin also consistently displayed her intellect, as she is always one of the topnotchers, both in my subject's examination and their final grades.

Given this student's capabilities and dedication, I am confident in endorsing her for the PCAFPD scholarship program. Her leadership and contributions in my class prove that she deserves what she is aiming for.

If you have questions or need clarification, please contact me at the email address I have provided. Thank you.
