### Recommendation

**PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.**

To the Peace Corps Alumni Foundation for Philippine Development:

I am writing this letter to recommend Ms. Joyce Anne Juyad for the PCAFD scholarship. I, Ms. Lerry Anne A. Virtuso, have been her instructor in two major subjects and have closely monitored her academic progress during the past two semesters.

In the semesters that I spent with Joyce, I saw in her a student who carries herself in a polite and respectable manner. As a student, Joyce has demonstrated excellent skills, commitment, and diligence in all activities we did. Joyce is one of the students that you will surely notice inside the classroom because of her dedication and intelligence, things which I never saw she bragged about. This commitment in academic excellence is evident in the achievements she received in the past academic year (academic achiever for the first and second semester of AY 2023-2024). She was also a consistent academic achiever during junior and senior high school. Joyce is also active in participating in different on and off-campus competitions: (1) participated in the Radio Broadcasting event in the 2019 DSPC; and (2) competed in the Unit and District BigSayWit in 2016, wherein she won the 1st and 3rd place.

Joyce has shown impressive leadership skills as well. She has exhibited this in the pair/group tasks that I have given in our classes. Joyce has always been prompt, efficient, and creative in these tasks and activities. She is a clear communicator and an approachable and respectful leader who leads by example. I can confidently say that she embodies the qualities of an effective leader, and at the same time, a follower. As her instructor, I am sure of the influential impact that
