Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

TERENCE EMILIO C. VISAYA has been a faithful parishioner since his childhood days. He is the third son of a family of four siblings with a single mother working as a Secretary to support the family. All other siblings are studying. Terence is hardworking young man, he is diligent with his works, and compassionate to his fellows. His perseverance towards his studies deviates him from his peers making him an outstanding student. He also resembles a remarkable leader with his experience as a class mayor in high school which not only gave him an advantage towards making an impact in guiding his fellow students, by humbling himself to take on the shoes of his fellow students.

I am pleased to recommend him for a scholarship to further his studies from your esteemed organization.
