Recommendation

At year 2021, Jasmine Regajal has started to join us in lending a hand to others. We share good news to people who are weary and feel like giving up. We have fellowship, where we are open to ideas, we listen to people's heavy heart and give them encouragements. Jasmine is one of the passionate missionaries that are willing to risk everything to serve God. I am hopeful that you will grant her this scholarship, it will be a big help to her. I am certain that she can reach many people with her heart.

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.
