Recommendation

Robbie Grace Mina has shown an excellent performance in her Senior High School years as she managed to join different school organizations while maintaining her rankings in the honor roll.

She knows how to handle diverse groups of people as she is also able to handle a variety of roles of being the Speaker Director in Languages Student Society, Broadcasting Coordinator of The Hirani Society, and the Media and Information Officer of The Page Turners in Tanza National Comprehensive High School.

She was also a student-journalist, exemplifying her abilities to handle and prioritize different tasks at the same time, bringing honor to the field of journalism of our school as she won 2nd in Radio Broadcasting and Script Writing Best Script in Division Level, 2nd place in Best Group, and 6th place Best News Presenter. She also bagged the same award during her Grade 11 years with 1st place in Best Group, 1st place in Best Script, and 5th place in Best News Presenter.

Being her adviser in Grade 12, I can definitely say that she is fit and worthy for a spot in your scholarship program.
