Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

I am pleased to recommend Hanz Maguete for the PCAFPD scholarship. As his instructor in the subject "Understanding The Self" at the University of Science and Technology of Southern Philippines, I have witnessed his remarkable dedication to academics and his self-management skills.

Hanz demonstrates a sincere desire to apply his knowledge to serve others. His commitment to community service is evident in his active participation in university-led outreach programs such tree planting and coastal clean up as he shared. Hanz's financial need, combined with his drive to excel academically and give back to his community, makes him a deserving candidate for this scholarship.

Thank you for your consideration.
