### Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

Ms. Morales naturally took the initiative to build positive learning environment within the class, where others hesitated she made it a point to guide the group into action. A simple gesture of negotiating for better schedule demonstrated her ability to advise manage plan not by act possible consequences of their choices.

Surprised me with good scores despite her early submission of her requirements, its the consistency and reliability of her actions that stands out.

The campus having various activities, it is no surprise to see and observe her being active with the student organization that require more of their available time. This exemplifies her understanding that a community will not flourish without action and that the action should start from oneself.

The scholarship would provide Erra the opportunity to make progress that's much needed in our times. Thank you for your consideration of this deserving candidate.
