Dear Admissions Committee;

It's an honor to recommend Angel N. Oreg for the Peace Corps Alumni Foundation for the Philippine Development Scholarship Program.

My name is Ms.Chelliemer Nourish L. Miguel. As her former teacher and adviser, I have witnessed her unique blend of academic excellence, emotional intelligence, and natural leadership.

Angel is one of the brightest students I've taught. She consistently excels academically while showing genuine curiosity and drive. One of her strengths is that she knows that she doesn't know everything, allowing herself to immerse herself and be assisted by her peers and mentor. Her empathy and emotional intelligence make her a valued friend and classmate, as she effortlessly supports and uplifts those around her.

Furthermore, her leadership skills are observable, she leads by example, taking initiative and tackling challenges with resilience and grace. During her reign as president of our class, she managed everything well together with her classmates. She's always chosen as a leader in their collaborative activities as their classmates experience her reliability. Watching her lead, it's clear that she is not motivated by recognition but by a genuine desire to make things better for everyone.

Angel's commitment to her growth and those around her truly sets her apart, and I believe she would be a remarkable addition to your program. Thank you for considering her application. Please feel free to reach out to this email: nourishhumanlan@gmail.com if you need further details.
