Recommendation

I am writing this letter to recommend Ms. Allysa Grace L. Ponteros, BSBA 2 student for the PCAFPD Scholarship program. I was asked by Ms. Ponteros, my former student, and her guidance counselor for a recommendation. I have known her for almost 1 ½ years. She has not incurred any disciplinary or misbehavior. As a student, Allysa belongs to the honors list. Her level of commitment demonstrated is necessary to succeed in college and beyond and is very well observed. She is also a member of the Michaelean Volunteer Society. Given some extra responsibilities, she can handle them well. I am happy to be able to provide this recommendation for such a deserving student. I believe that if given the chance to have this scholarship, she will attain her goals in life and perform good citizenship in our society. I have also great respect for her, and you will be proud to have her representing your organization. As an educator, I strongly encourage you to consider her for this scholarship. Please contact me with any questions and let me know if I can provide any additional information in support of this student. You can reach me on 09060958310 or with my email address.

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.
